CALMI-T HERBAL TEA

AFRICAN INFUSIONS

As with any food crop's *terroir*, the context of the African landscape has a profound impact on the complexity of flavour, aroma and medicinal properties of the plants growing in it.

Drawing on the rich biodiversity and history of traditional healing on the continent, African Infusions sources unique botanical ingredients with traditional use heritages not always known to the Western World, each evoking their own unique African locality.

CALMI-T HERBAL TEA

Exceptionally low in tannins and with plenty of flavonoids and phenolic compounds that possess antioxidant qualities, Calmi-T herbal tea gives your body's immune system the extra vitality to keep you on the go.

- 100% naturally caffeine-free
- Organic

TRADITIONAL USES

Lemon Bush (*Lippia javanica*) has been used as a popular traditional remedy throughout southern Africa for respiratory problems such as coughs, colds and asthma; to bring down fevers and to treat malaria.*

The healing effects of the Cape Wild Mint (*Mentha longifolia*) are attributed to the menthol, menthone, pulegone and 1,8-cineole found in it, earning it a reputation as a traditional remedy for respiratory problems such as coughs, colds and asthma. Its uses extend to treating stomach ache, flatulence and indigestion. It also contains alkaloids and flavonoids such as quercetin- 3-O-glucoside and apigenin responsible for anti-bacterial and anti-microbial effects.*
